3. Turmeric Powder (MOQ 5 Tons)

- *100% Turmeric*
- *The moisture content of our dried turmeric is below 10%.*
- Our turmeric powder is available in 80-100 mesh, depending on customer requirements
- Mesh size indicates the fineness of the powder. For example, 80 mesh turmeric powder is finer than 60 mesh

Mesh refers to the number of openings per inch in a sieve. For example:

60 mesh = medium fine powder

80 mesh = fine powder (common for food processing)

100 mesh = very fine powder

- We can customize the mesh size according to your application (food industry, supplements, or seasoning production).

Why Choose PT RPN

Every Dreams has a Story

- Our turmeric company is more than just a business – it is a platform of hope. Behind every harvest and every shipment, there are hardworking housewives who dare to dream of a better future for their families.
- We proudly collaborate with women in rural communities, many of whom are mothers striving to support their households. By providing fair opportunities and sustainable income, we help turn their small steps into meaningful progress. Every product we deliver carries not only quality, but also the dedication, resilience, and dreams of these incredible women.
- Through our work, we aim to create impact beyond trade – empowering mothers, strengthening families, and building brighter futures together.

When you choose our products, you are choosing more than just quality — you are choosing purpose. Every product we create is made with care, integrity, and a genuine commitment to making a positive difference. Your trust allows us to continue supporting communities, empowering individuals, and building a future where business is not only about profit, but also about impact.

By purchasing from us, you become part of a bigger mission — a mission to create value, inspire change, and uplift those who need it most.

We share a common vision of creating meaningful impact through women empowerment. Your company's dedication to supporting and uplifting women aligns closely with our mission to create economic opportunities and strengthen communities.
